Ugur and Brackie,

Can you please respond via email today that I have approval from your study to upload and submit this to the TOPMed P&P. I have approval from representing authors from your study, but I do need a final email from either of the two of you to upload to the TOPMed P&P.

Ugur,

Attached is the TOPMed Telomere paper that is close to final submission to Nature. Per TOPMed instructions we are sending to you to for the approval from your study. Co-authors from your study are also included on the paper. If there are any changes to be made to study specific acknowledgements please let us know.

Kindly cc Margaret and Lisa on your response and also with final approvals.

Thanks

Rasika
