Hi Susan, Thank you!  
Just confirming that as PI of CFS you are approving the manuscript?  
Best,  
Wessel

Hi Jennifer,

The paper looks really cool-lovely work.

Acknowledgement is fine. Grant support should include: NIH R35 HL 135818, HL 113338, and HL 046380. Brian can add his K grant.

Otherwise approve from CFS.

Thank you,

Susan

**Subject:** Co-author review required for TOPMed T2D Paper proposal 1217!

**Importance:** High

**External Email - Use Caution**

Hello co-authors! We are sending you the penultimate manuscript “*Rare Non-coding Variation Identified by Large Scale Whole Genome Sequencing Reveals Unexplained Heritability of Type 2 Diabetes: Trans-Omics for Precision Medicine (TOPMed) Program*” from the TOPMed T2D Working Group.

To meet fiscal grant deadlines we are requesting your **quick** responses:

1. **Co-authors:** respond to me that you approve manuscript in **next 24-48 hours**
  - a. Please check your affiliations and acknowledgments
2. **Study/PI of study:** submit to P&P committees or respond to me that as Study PI you approve manuscript immediately so we can document where it is in the approval pipeline (we have to document this for submission to TOPMed P&P before we receive approval to submit to journal)
3. **Comments on manuscript:** send comments in **next 7-10 days**
