Hi Xihao and Zilin,

There have been several emails circulating regarding this manuscript and I address all below

1. As PI for TOPMed, I have added myself & confirmed approval in the Google Spreadsheet
2. There is no formal P&P committee at present; I have reviewed the manuscript and related material and can provide FHS approval
3. Yuxuan Wang can be included as an additional FHS author (and I can be removed if needed to allow this addition).

Nancy

When available, could you please also send the manuscript to your corresponding P&Ps (or let us know if you'd like to do this & which email address to send it to)?

Please kindly note that we may need your help to identify authors for your respective authorship group (3 per group as we have done previously with the TOPMed Lipids working group), so could you please fill

We recognize that many of you are on or about to go on vacation. We are hoping we get feedback from everyone by **June 13 (Tuesday)**; please let us know if you need more time.

Please do not hesitate to reach out with any questions/comments. Many thanks for your collaboration and we look forward to your constructive feedback (as well as the administrative guidance – P&Ps and authorship)!

Xihao, Zilin on behalf of Xihong
