Alisa,

I have read the paper and congratulations on your analysis / write-up. I have no concerns from the standpoint of GOLDN or HyperGEN.

Best of luck with submission,

Donna

Dear Donna and Steven –

I am writing to request expedited review of our manuscript by the HyperGEN cohort, as we have a funding requirement that we meet a November 30<sup>th</sup> deadline for manuscript submission.

Please let us know if you have any questions or concerns, or if you anticipate a delay in the cohort approval process.

Many thanks,

Alisa
